Midwest Society of Periodontology 63rd Annual Meeting – February 21-23, 2020

The Midwest Society of Periodontology is an organization of 425 periodontists in the Midwestern States. We have an annual meeting each winter which piggy-backs with the Chicago Dental Society's Midwinter Meeting. This year our Annual Meeting is to be held on Saturday and Sunday, February 22-23, 2020 at the Renaissance Chicago Hotel. We expect an attendance of between 275 and 325 members and professional guests. Last year we had over 350 periodontists, residents and restorative dentists in attendance.

Friday's program is with Dr. E. Dwayne Karateew "Novel Techniques to Aid in Implant Site Development." Saturday morning will feature Dr. Brian Mealy on "Clinical Management of Dental Patient with Diabetes" & "Effects of Ridge Preservation on Wound Healing Following Tooth Extraction." The Sunday program will have Dr. Mita Sadrameli speaking on "Maxillary Sinus Anatomy Considerations during Implant Site Development."

Saturday's program will feature a Graduate Student Research Forum. Postdoctoral students and recent graduates in periodontology submit abstracts to compete in the Midwest Society of Periodontology's Graduate Student Research Forum. Three students are selected to present in Chicago and each of these three finalists will receive a \$500 cash award plus their hotel expenses. In addition, a first place plaque will be presented to the winner and honorable mention plaques will be given to the other two presenters. Again this year there will also be a poster competition for graduate students in periodontology.

If your company would like to exhibit at our Annual Meeting, please let us know so we can reserve space for you. Our exhibit hours are from 8:00 am through 4:00 pm on Saturday, February 22, 2020 and from 8:30 am until noon on Sunday, February 23, 2020. The exhibit tables will be located in a ballroom adjacent to the program ballroom. Our coffee breaks are held in the exhibit hall. The exhibits tend to be rather informal and are centered on banquet sized tables which are supplied by the Midwest Society. The fee for the exhibit time is \$1,200 for both days if paid by December 31, 2019. We are pleased to provide you with a mailing list for an additional fee of \$300.

We would appreciate having you as an exhibitor and sponsor of our meeting this year. If you would like further details, please contact our office and visit our web site at www.msperio.org. Registration for the exhibits must be guaranteed by December 31, 2019.

SOCIETY INFORMATION

The Midwest Society of Periodontology (MSP) is an association of 425 members in the Midwestern States. These dental professionals specialize in the prevention, diagnosis and treatment of diseases affecting the gums and supporting structures of the teeth and in the placement and maintenance of dental implants.

The Society is dedicated:

- To advancing the art and science of periodontics.
- To enlighten the public to the role of periodontology as related to general health and public welfare.
- To cooperate with dental education institutions in the area by fostering periodontal education at all levels.
- To further increase understanding and cooperation with the medical and health services.

Periodontics is one of the nine dental specialties recognized by the American Dental Association.

ANNUAL MEETING HOTEL

Renaissance Chicago Hotel
1 West Wacker Dr.
Chicago, IL 60601
