Midwest Society of Periodontology is pleased to present ***Facts, Fiction, & Controversies of Biological Agents*** – a one-day clinical education course in Biologics for Periodontal and Implant Surgery. The course is intended to educate on the benefits and limitations of biologics from internationally recognized colleagues in regenerative medicine and provides insights on their experiences direct from their practices.

**Saturday, September 30, 2023**

**LOCATION: Butterfield Country Club**  
2800 Midwest Road, Oak Brook, Illinois 60523

## HIGHLIGHTS

- Better understand AAP’s Best Evidence Consensus and where each biologic performed best.
- Explore the ideal mechanism of action for each biologic, understand where clinically they perform the best and where their limitations lie.
- Gain insights from regenerative experts on their experiences with Emdogain®, Infuse™, PRF, & GEM 21S®.
- Collaborate and network amongst peers to elevate regenerative medicine in your practice.
- Earn 7 CE hours.
